SUMMARY

- **Social Content & Creator Strategy Manager** at TikTok/SoundOn and former **technical Program Manager**, combining first-hand creator experience with data and experimentation. Built The Nesi Family to **1M+ followers and 250M+ views** while running a **50+ brand-partnership pipeline** (17+ closed campaigns) driving **+62% revenue lift**.
- Brings the signal → hypothesis → experiment → measure → scale loop from enterprise programs — **13% time-to-market cut** on a ~\$15M+ **software-defined data-center switch**, **56% sustained DAU** on an AI adoption program, and **\$1M+ procurement savings** — to social content, creator strategy, and campaign enablement.

EXPERIENCE

TikTok / SoundOn, Los Angeles, CA

October 2026 – Present

Social Content & Creator Strategy Manager

- **Lead social content strategy and growth** for SoundOn's official TikTok, Instagram, and YouTube channels — channel positioning, content pillars, formats, experiments, publishing, and performance-informed planning.
- **Develop reusable creator intelligence for campaign teams** — creator insights, archetypes, sourcing methods, selection frameworks, and cross-campaign activation learnings — to support faster, better-informed creator decisions.
- **Test and evaluate YouTube content formats and production approaches**, analyzing video performance, content quality, production efficiency, and scalability to inform longer-term channel strategy.

The Nesi Family, Los Angeles, CA

January 2021 – Present

Founder — Creator Growth & Operations

- Built The Nesi Family from zero to **1M+ followers & 250M+ views** across TikTok, Instagram, YouTube, Facebook, and Snapchat — 100% organic, with \$0 spent on paid promotion to grow the audience.
- Ran **120+ content experiments** on hooks, pacing, and concepts, using watch time, retention, and CTR to build repeatable short-form formats — **90M+ views** in a recent 90-day period (+29% QoQ), **+1,521% YouTube Shorts growth**.
- Built a **50+ brand-partnership pipeline** and operating system — outreach, campaign intake, creative approvals, publishing, and partner reporting — closing **17+ paid campaigns** (TikTok, Domino's, Shake Shack, P.F. Chang's, CAVA, Jack in the Box, BJ's Restaurants, King's Hawaiian, Yogurtland) and driving **+62% revenue lift**.
- **Built & led a small creative team** across editing, production, creative direction & QA.

Canoga Perkins, Los Angeles, CA

April 2023 – March 2026

Program Manager — Product, AI & Operations

- **Cut time-to-market ~13%** leading a ~\$15M+ software-defined data-center switch from requirements to launch across **8 cross-functional teams, 50+ engineers** (hardware, firmware, software, manufacturing, QA), and 4 global sites.
- **Avoided ~\$0.9M/yr in costs** by establishing a single plan-of-record across sites and driving **4,700+ GitLab issues** to closure through weekly risk and dependency reviews with clear ownership.
- **Cut NPI lead time 18%** by onboarding Sanmina (EMS) and enforcing BOM, ECO, prototype & supply-chain stage-gates.
- Designed and drove adoption of a **program-governance restructure ("PMO 2.0")** — RACI, decision log, threshold-based escalation — integrating GitLab, Microsoft Dynamics CRM, and SAP ERP into one Smartsheet system of record.
- Led an AI assessment that surfaced **\$1M+ in procurement savings**, then built the **RAG + human-in-the-loop workflow** that delivered it and cut manual work ~60% across purchasing.
- **Grew AI adoption 56%** via rollout, training, governance & measurement; usage rose **193% in two months**.
- Built a **Customer Experience Center** (edge compute, AR, robotics) influencing qualified pipeline.
- **Hired, interviewed, and led a team of 3 project managers** — 3+ years of formal people management.
